

August 30th 2014

Prospective Members, Whaleback is pleased to bring you the **2014-2015** lease price rates and rules regarding stockings for our members' bird hunts. Our private hunting Club offers the greatest amenities and hunting opportunities of any preserve in Western New York. In this our 43rd year, we are poised to bring even higher quality hunting for all our members at very affordable prices.

All leases are equal in price and services. The base price of all family leases is equal at \$1860 (\$155 per month) Plus \$625 for 25 prepaid pheasants, free turkey and free deer hunting and fishing included, plus 6 rounds of *Sporting Clays*. All company leases are equal at \$4,200 (\$350 per month) for two designated from a company able to charge and require buying 100 pheasants for company hunts in fall or \$2500. There is no maximum on Pheasants or Chukar or Quail a Leaseholder may order. Our average member shoots 60 Pheasants and our average company shoots 200. The individual user fees which each member may incur monthly for extras separates the cost of individual interests from the base lease cost paid by all to help maintains the Clubhouse, cost of management, and food cover plots, insurance & taxes.

Our Membership is limited to 65 leaseholders and rules require that New Applicants fill out the next 2 pages, indicate their sponsor or how you learned of us, and include a deposit check to apply for a new lease and be considered. Currently New applications are being reviewed for fall 2014 admittance through December 30th 2015.

We recommend that you schedule a personal interview with R. Bruce Lindsay and a site visit. Please feel free to call with any questions. We look forward to serving your hunting needs in a congenial family oriented Club.

Sincerely,

Bruce
